Entry Forms for individual galas will be available on individual event pages on the Club website no later than 2 weeks prior to our closing date. Blank forms will be available for those without access to a printer; please speak with your Coach or Squad Rep if you are in this position. The Schedule of Events and Qualifying Times for each meet can be viewed on their individual event page. Please ensure you check the STSC Gala Entry Form for the STSC closing date which is usually a week prior to the closing date set by the club holding the gala.

Fill out the Gala Entry Form. Please include **all** the information asked for. **If you are unsure of a time or don't have a time for a certain event then please speak to your Coach prior to handing in the form.**

Hand the form to Dot Houston (D Squad only), Jane Whitelock or any Squad Rep with the correct fee **before** the closing date stated on the entry form (payment is preferred by cheque made payable to South Tyneside Swimming Club). Please don't leave it to the last minute because the Club entry must be processed and sent to the gala organisers before their closing date, which is usually only a few days after our Club's closing date. (NB fcfs stands for first come first served, these are normally very popular galas that fill up quickly hence early closing dates.)

It is the responsibility of each swimmer to ensure their Gala Entry Forms are **fully** completed and handed in **prior** to the closing date given on the form. **Late entries or partially completed entry forms may not be accepted** as this causes delay and could jeopardise the whole Club's entry, not to mention inconveniences the Squad Reps, Competition Secretary and the Entry Manager of the Club organising the gala.

* *Dates are subject to change. So please check out the date stated on individual Gala Entry Forms.*
