

N&D Swimming Championships 2016

Swim Down Facility Sunderland Aquatic Centre

It is the responsibility of all clubs, coaches and team managers attending the 2016 Championships to ensure the health and safety of their swimmers using the swim down facility.

The swim down facility will swim three lanes front crawl, one lane backstroke, one lane breaststroke and one lane butterfly.

N&D have arranged for extra lifeguards to patrol the swim down pool at all times. Any swimmer who does not pay attention to the lifeguards, coaches or team managers from any club will be asked to leave the pool.

If this facility is abused then N&D will have no option but to close the swim down pool.

Medals

Due to timing constraints, there will be no medal presentations at the N&D Championships. Therefore it is the responsibility of swimmers/clubs to ensure that all medals are collected on the day of the swim.

Kath Smith
N&D Championship Manager
