All proceeds in aid of

The Cystic Fibrosis Trust and Newcastle Hospitals NHS Charity (Great North Children's Hospital PICU and Ward 9)

£9300!!

The magnificent total of £9300 was raised at the meet and each charity has benefitted by £4650. A huge thank you to all those clubs, swimmers, parents, coaches, officials and poolside helpers who did so much to raise that total.

We hope you will join us next year when we aim to break the £10,000 barrier!
