Swimmers can use the diving pit for both warm up and swim down as required but there is to be no diving.

Please note that Sunderland Aquatic Centre operates a strict limit on the number of swimmers in each lane at any one time. In the main competition pool, during warm up, no more than 18 swimmers must be in any one lane. In the diving pit, no more than 10 swimmers must be in any one lane.

Coaches are responsible for ensuring these limits are complied with and for supervising their swimmers in both warm up and swim down.

- Medal presentations for events with finals will take place during the Finals in each session. Swimmers must wear appropriate clothing for the presentations. Swimmers will be asked to remain at the presentation area immediately following their final to ensure attendance at the presentation. It is the responsibility of the Clubs to arrange for a deputy to attend if swimmers are unable to remain for presentation.
- Failure of a swimmer or deputy to attend the appropriate presentation will result in the swimmer forfeiting his/her medal.

STUDIO:

The Studio overlooking the pool can be used by coaches and team managers who are in possession of a poolside pass as a break out room during the weekend. Tea and coffee will be available. Please note that the Studio will be used by officials during the lunch break and therefore will not be accessible for coaches and team managers at those times.
