Billingham Skins

Individual 'Skins' events will be held in conjunction with the Meet. Entries for the Skins events are selected from the 6 highest placed competitors in the 200m IM events. There are separate events for boys and girls aged under 12 and over 13.

Separate conditions are applicable for the Skins events which do not fall within the Meet conditions.

There will be five rounds, each round will comprise of a 50 metre race. Swimmers will be spearheaded for the first round in accordance with the times achieved in the 200m I.M. all five rounds to be swum in the same lane.

The stroke to be swum will be determined by drawing a coloured ball from a bag prior to the start of each round. The stroke drawn will be announced as soon as it is drawn and again immediately following the whistle, prior to each round. The ball will be replaced in the hat after it is drawn.

The stroke selected must be swum in accordance with the ASA Racing Technical rules.

The starting sequence in the first round will be in accordance with the ASA Racing Technical Rules. The starting signal of each subsequent round will be given exactly 3 minutes after the start of the previous one. In the second and subsequent rounds there will be no preparatory command "Take your Marks." This will be replaced by a whistle blast 10 seconds before the starting signal, which will be given by the klaxon. In the event of a failure of the starting signal this will be replaced with a shout of "Go" from the starter. Any swimmer starting before the starting signal will be disqualified unless they return to the end of the pool and start normally.

In the event that one or more swimmers have been disqualified for an early start or other infringement of the ASA Racing Technical Rules then the slowest swimmer will not be eliminated.

In the event that two or more swimmers are eliminated then the subsequent rounds shall continue without elimination until the appropriate round. For example, if two swimmers are disqualified for a false start in round one, no swimmers will be eliminated in round 2. One swimmer will be eliminated in round 3 as normal.

In the event of a tie for last place, both swimmers will continue into the next round. In this event two swimmers will be eliminated from the next round. In the event of a tie in the final there will be a further round.

It is the individual swimmer's responsibility to be in their starting position at the start of each round. The starting signal will not be delayed in the event that a swimmer is missing.

The winner will be the swimmer who is placed first in the final round.

Skins Prizes are: 1st £50 / 2nd £30 / 3rd £25 / 4th £20 / 5th £15 / 6th £10 for each age group
