## **IMPORTANT COVID-19 AND ACCESS INFORMATION:**

All attendees aged 18 and over present at the Championships, in whatever capacity, must provide evidence of a negative lateral flow test taken within the last 48 hours. Anyone unable to provide such evidence will be refused entry to the venue. It is the responsibility of individuals to ensure they bring evidence with them on each day they attend.

Once our volunteers have checked names and negative tests, wristbands will be provided which must be worn at all times. Please be patient at busy times.

Under 18s are encouraged to take a lateral flow test before attending the Championships.

If anyone tests positive, or displays any Covid-19 symptoms, please do not attend and you should follow current Government guidance. If anyone has had Covid-19 within the last 90 days please do still take a lateral flow test and, if positive, bring proof that you have previously had a positive PCR.

Entry to the pool hall at the start of each session will be via fire exits rather than through the main pool reception to reduce crowding.

The following Clubs should use the first entrance on the Stadium of Light side (timing suite – Fire Exit 1):

The Fire Exits will be open at the following times:

Sessions 6 & 8 – 7.30-8.30am

Sessions 7 & 9 – 12.30-1.30pm

If arriving outside of these times, access is through main reception and then upstairs to the correct side of the pool, where the entry process above will be followed.
